2. Administrative Report

Mrs. Johnson reported we had a great start to school. We are five weeks into school and halfway to fall break. Staff and students have been amazing. For enrollment we have 639 students and we are still getting more students on a weekly basis.

Game night tomorrow night is from 6:00-9:00 pm. \$5 at the door will get you pizza and a drink.

Parent Teacher Conferences are coming up on Sept 15th. We will be encouraging parents of those students who are at risk of failing. But of course we would also love to see those who are doing well. More information will be coming out soon.

Mr. Carrier welcomed Mrs. Johnson (Assistant Principal) and Mr. Parks (Principal) both new to us this year. They have had a fantastic transition to our school. They are both from different schools.

Cross country is up and running and we have two full teams. Last year we had a soft opening and partial teams with Golf and Tennis. This year, we have a full team of 6 girls and the rest boys. Mr. Frausel (History Teacher) is coaching Cross Country. First meet is Sept 9th at St. Augustine. For those of you who know Mr. Witherspoon (former PE Teacher), he is now at St. Augustine. First home match is Sept 15th. We have a brand new cross country course out behind the school. We have 60 acres in the back and just recently created a 1.6 mile course, two laps would be a 5K and we are extremely excited about it.

Upcoming new winter sports is soccer. We have about 40-50 students interested. We are also working on fencing around the soccer field as well as scoreboard, ticket booth and concessions to get it going.

We also have numerous clubs and will talk more about that later.

D. Call to the Public - None

E. Recognitions

Mrs. Johnson recognized Pima County Deputy Slattery who gave mandatory reporting training to our staff at the beginning of the school year. Deputy Slattery is extremely informative and is a great guy who cares about our community.

Mrs. Johnson recognized on behalf of Mr. Parks the following:

Nancy Webber-Graff, Gloria Bernal and Caitlin Freker (Linkcrew) for putting on Freshman orientation as well as providing orientation for Sophomores since they didn't have it last year due to covid.

Brenda Herenandeez Health Aide - Helping out with lots of covid things regarding changes, policies, etc. following district and guidelines provided by Pima County Health Department.

Brian Frausel and Rod Carrier for initiating the start of cross country, and working out all the details including uniforms, ect.

Pathway teachers and Amy Link who took care of another staff member who had an accident and helped her until the health aide was able to assist.

Parent truck died at the entrance of the school just before school got out. Mr. Nelson's kids went out to help her, got her car running and out of the way and just in time when school got out.

Mr. Nelson motions to approve, Mr. Story seconds

B. Student Handbook (**ACTION**)

1. 2021-2022 Student Handbook

Most approved student handbook and said looks good. However Miss Savage (student) spoke out on behalf of students and expressed dislike for Mavtime. With FWRB in the past, students were able to get some food and find a table to sit at. During lunch there are a lot of students out and it can be hard to find a spot to sit and enjoy the time. Student was thanked for bringing up this information and will be looked into for next school year. This information will also be shared with Principal Parks.

Mrs. Williams-Potter motions to approve Student Handbook for this year, Ms. Gora seconds, all in favor.
